

CO-FOUNDER & CTO AGREEMENT

Project: Tourit.ca | Effective Date: _____, 2026

This Agreement is entered into between **Mia Li** ("Founder") and _____ ("Co-Founder/CTO") regarding the development and growth of **Tourit.ca**.

1. Role & Responsibilities

The Co-Founder shall serve as the CTO and be responsible for:

- Full-stack architecture, automation scripts (FBMP integration), and system scalability.
- Achieving the Year 1 Revenue Target of **\$150,000**.
- Collaborating on strategic decisions while acknowledging the Founder's final decision-making authority during the vesting period.

2. Milestone-Based Equity Vesting (Total 10%)

Equity shall vest based on performance milestones, subject to a 12-month "Cliff" and "Bad Leaver" provisions:

Milestone	Equity %	Trigger Event
Foundation	2%	Stable deployment of FBMP Auto-sync tool & core API architecture.
Growth	4%	Cumulative Platform Revenue reaches \$75,000.
Success	4%	Cumulative Platform Revenue reaches \$150,000.

3. Profit Sharing & Founder Salary Deferral

To incentivize the Co-Founder in the absence of initial salary:

- **Founder Deferral:** Mia Li agrees to waive her 80% share of dividends/profits for Year 1.
- **Priority Bonus:** 100% of distributable net profit shall be shared among the CTO and CGO (pro-rata) until the \$150,000 target is met.
- **Retention Holdback:** 50% of bonuses are paid upon milestone; 50% are held for 6 months to ensure continued commitment.

4. IP Assignment & Confidentiality

All Intellectual Property created during the term of this agreement belongs 100% to Tourit.ca. The Co-Founder shall maintain strict confidentiality regarding MLS data and proprietary automation logic.
